TO ALL OUR FRIENDS

FROM LAURIE AND LINDA

You might remember Andy Rooney who was a regular member of the old 60 Minutes television broadcast for many years. He always had the gift of saying so much with so few words, and here are just a few meaningful quotes written by Mr. Rooney:

I've learned that just one person saying to me "You've made my day." really makes MY day!

I've learned that being kind is more important than being right.

I've learned that no matter how serious your life requires you to be, everyone needs one friend to act goofy with.

I've learned that life is like a roll of toilet paper. The closer it gets to the end, the faster it goes!

I've learned that to ignore the facts doesn't change the facts.

I've learned that the easiest way to grow as a person is to surround myself with people smarter than I am.

I've learned that opportunities are never lost—someone just takes the ones you miss.

I've learned that you should keep your words soft and tender, because tomorrow you may have to eat them!

I've learned that the less time I have to work with, somehow the more things I get done.

I've learned that it's really those small daily happenings that truly make life so spectacular.

We hope you enjoyed these.....And please call us any time you might have a real estate question.
