

Celebrating a Successful Partnership

Informal Partnering for 10 Years Provided the Foundation for a Great Team

It is hard to believe that it has been nearly a year since we formally began our team approach to real estate; things are going great!

Working together to assist our buyers and sellers has been very gratifying and we are seeing the results as we have been able to provide a higher level of service in multiple home purchases and sales, raw land development, vacant land sales and purchases, investment property purchases and sales, and numerous other property transactions. The work is growing and our partnership is helping us meet the demand.

We look forward to being a resource for you and your family and friends as the year continues. We would greatly value you passing on our names as a team of agents that are ready to serve and provide you with any real estate needs you have. It is because of you that we continue to be successful and enjoy what we do.
