

Client Testimonials

Dear Brigitte,

Thank you for the care and hard work in getting both our loans for us. We really enjoy the add on to our home and could not have done it without you. We only wish we had more money to invest in the lower prices of homes for investments.

I look forward in doing more business with you in the future and I know I will have no hesitation in referring you to anyone.

Sincerely,
Sandy A. Hames

To whom it may concern,

I would like to recomend Brigitte and Oxford to anyone who is in need of mortgage assistance. She has helped ne refinance my home as well as helped my daughter buy her first home. I appreciate her business pratices, work ethics, professionalism and integrity. I will use her services again without reservation. Brigitte takes the worry and concern out of buying a home.

Thank you,
