

Happy New Year!

THINKING OF A REFI? SEAN IS MY GO-TO GUY! ↘

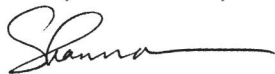

Believe it or not, the "Early Spring Market" begins just a few weeks into January as those buyers and sellers who aren't driven by school calendars get serious about taking advantage of a quieter season.

Don't forget to check out shannonharton.com for my latest listings, news clippings on local and national housing statistics, and up-the-moment MLS searches that can help make finding your next house easy!

And please don't forget ...

I'm very fortunate to have built my successful real estate business on a steady supply of referrals to friends, colleagues and neighbors of yours who may be thinking of buying or selling a home soon.

Thank you so much for continuing to keep me in mind and mentioning me when you hear of anyone in need of a great agent!
