

NEW YEAR FRESH START

PERSONAL MESSAGE FROM ANA ...

During the Holiday Season, more than ever, my thoughts turn gratefully to those who have made my continued success possible. In this spirit, I say humbly and simply, **THANK YOU!**

The best part of my business is the relationships that I have built with my clients over the years. The increased demands on my time have not allowed me to be as close to my clients as I would like and lately I have really missed that and I am truly sorry!

As a new year begins, our hearts and thoughts are turned to new resolutions, new beginnings and I could not find a better way to start my new year than by letting you know I truly would love to make a fresh start!

My pledge to you starting today is to personally stay in touch with you more often and that this would allow me to earn your trust and confidence once again so that I can be your "Real Estate Consultant for Life"!

Wishing you a very happy and blessed New Year! Ana

Meet Your Neighbor and Real Estate Specialist

By way of introduction, this is to let you know that I am your neighbor who lives on 34th Street and I am also a very active real estate agent for the past 18 years, and as an owner and Realtor, I love and believe in our community!! I have had the opportunity to list and sell numerous homes in Riverstone but one thing I have failed to do is to introduce myself formally and get to know you more personally as your neighbor and as your neighborhood professional REALTOR®.

One of my most important goals in 2014 is to earn your trust and confidence as your real estate consultant and I could not find a better time to make a fresh start than now so you can expect to be hearing and seeing me in the neighborhood more often.

I believe in this neighborhood and in the real value of the homes here. I am dedicated to knowing everything about this neighborhood that makes a difference to the value and the "saleability" of our homes. If there are any new constructions, school changes, general changes in the economy – anything that affects your home's value – my job is to know it and to share that information with you.

Anything that I can do for you is yours. Our neighborhood is a central part of my career focus, and my commitment is to give the best customer service available. So, I invite your questions. Feel free to call me directly at 954-448-6743 or email me at ana@orgeteam.com. Information is power and, in your case, information is free for the asking.

As a service to you, I am sending you this newsletter which hopefully you will find it provides great information pertaining to real estate, and I do hope you find value in receiving it. So until next month, feel free to contact me anytime to take advantage of my real estate expertise!
