I love referrals!

Many thanks to those who donated towels and blankets this Holiday Season to benefit shelter dogs and cats. I collected enough to donate to three local shelters: Last Chance Ranch in Quakertown, the Perkiomen SPCA and the Conshohocken SPCA. Your generosity has allowed these little furry friends

a bit of warmth this bitter cold winter season. Don't forget, if your looking for a furry friend of your own to keep you warm, stop by one of these wonderful local shelters...there's always a friend waiting for you to come and take them home!

If you or someone you know is considering buying or selling, we are approaching an active Spring Market, so don't miss out! Call me today to set-up an appointment to review your options and talk about the buying/selling process. I'm here to help and make your transaction successful...your goals are my goals!
