"Brigitte is an experienced lender with ability to work through difficult situations and drive a successful conclusion for all involved. I've recently recommended other loan agents to her

office where they enjoyed success and closed transactions. Brigitte is very knowledgeable about all aspects of lending and has strong resources with her current products at Oxford Capital."

Bruce Forge  
Real Estate Broker at iNet Realty, Inc.

"I first used Brigitte Archer's services when I was buying my house. I was so impressed by her knowledge and efficiency that a few years later I used her services again when I wanted to take out a second mortgage on my home and, yet again, when I wanted to refinance my mortgage and also recommended her to my mother. Again, Brigitte showed us that she was the ulti-

mate professional, making sure that all the documentation that was required was received so both my mother and I could close on time without any problems.

Unfortunately, LinkedIn only allows me to select three attributes. In addition to those chosen, I would add that Brigitte has given me **GREAT RESULTS** and that she is very **PERSONABLE** and a pleasure to work with.

I full heartedly, without any reservations, recommend Brigitte Archer and Oxford Capital's services.
