

Rebecca Reich is being honored by the Whatcom Land Trust through the  
***Rebecca Reich Conservation Internship Fund***

The internship fund will provide a local student with hands-on experience learning values and best practices of land conservation while assisting with conservation projects and initiatives. You can find out more and donate to the Rebecca Reich Conservation Internship through the Whatcom Land Trust website at [www.whatcomlandtrust.org](http://www.whatcomlandtrust.org). NeufeldNW is thrilled that Rebecca is being honored in this way.

Rebecca was an integral part of our team as a Lead Listing Agent and Real Estate expert. Rebecca had over 30 years of experience in the Bellingham and Whatcom County real estate market. She was a long time advocate for the environment, was an esteemed board member of the Whatcom Land Trust, and a dear friend to many in our community.
