Buyers are ready purchase. Inventory is still low. If you are thinking of selling, give me a call and let's talk about your home, the market, and inventory. It's a seller's market. Total inventory is 23.3 percent below the five-year average for April and 34.2 percent below the 2007 peak, according to the Washington Post. You might be able to get top dollar for your home. 703-967-9844
