

IT'S FINALLY SUMMER !!

FROM LAURIE AND LINDA

For the ultimate summer treat at the beach, Cape Water Taxi and Tours has many events along the waterways of the Delaware beaches. All tours leave from Fisherman's Wharf in Lewes or the Rusty Rudder dock in Dewey.

SUNSET CRUISE - A peaceful ride along the beautiful coastal scenery of Broadkill Bay or Indian River Bay. Relish the sunset, waterfowl and sea breezes unfolding before your eyes. Bring some snacks and your favorite beverage (alcohol is permitted).

FIREWORKS CRUISE - Cruise the river and watch the spectacular July 4th

fireworks launched from barges along the shoreline of Rehoboth Beach. It's the best seat in the house !!!

ECO TOUR - Experienced birders and naturalists guide these tours and provide hands-on experiences you'll long remember. During the 90-minutes you'll learn where the Fiddler Crab got its name, if the Glossy Ibis is really glossy, where the term "crazy as a loon" came from—and will see a wide variety of birds, osprey nesting platforms and maybe even a Bald Eagle! You'll experience what's beneath the water as well by observing various crustaceans and fish, Diamondback Terrapins, and more. Binoculars are on board for your convenience.

KIDS CAMP - Kids of all ages will enjoy sailing from the dock for a learning expedition they'll long remember. The captain provides opportunities to catch crabs, go clamming, and learn about the Bay. Offered every Wednesday at 1:00 p.m.
