

I am a native Washingtonian and I'm thrilled to be affiliated with one of the largest real estate companies in the mid-Atlantic and Northeast Regions. I bring a wealth of knowledge and experience in all aspects of buying, selling, renting, and investing in Real Estate within the Metro Area. I am genuinely committed to meeting the goals of my clients, and I always operate with integrity and professionalism.

I also understand the importance of giving back to the community. I take pride in being the CEO/President of Children's Focus Foundation (CFF), a non-profit organization located in the District of Columbia. CFF is instrumental in finding housing for homeless vets & families; and providing programs for our youth.
