

July 2013, The Market remains Hot! Inventory is moving up as owners see real opportunity to sell for top dollar. Currently we have over 5000 homes on the market, up from 3959 in Jan. We had 6442 last July. In June, 3710 homes Sold. The Best month since Aug. 2006. Prices are moving up, Interest Rates have moved up. This should bring more Buyers and Sellers to taking advantage of this extraordinary situation. BIG Bonus-Homes bought today Rent for more than the mortgage payment. Call me to see what all this Information might mean to you.

This hot Market should continue... It may be the best time ever to make a move. Really! Buying, Investing or Selling, I hope to talk with you soon. Thanks... Jim Muir 206-947-8791
