

Want to know about housing in your or any neighborhood?

Just go to ZTeamRealEstate.com
Click on More and then Market Trends

Here you will find the latest home pricing, number of sales plus more statistics than in Zillow.

You can look at any area in San Diego County using a current snapshot or a prior time of your choice.

There are Market and Mortgage Reports plus Momentum and Trend Charts.

If you want the Actives and Solds around a specific address just click on the Recent Sales and Listings tab that is on the top.

See you at <http://ZTeamRealEstate.com> or call me 760-672-2900

I always answer my phone, remember? ☺
