

# “Thank Goodness for Marjorie Dick Stuart!”

Michael, Jeff and Wes,

We just wanted to write you to let you know, as you probably already do, how fantastic Marjorie Dick Stuart is. She is by far the best agent we've ever had. We were under a pretty stressful relocation for a new job and she handled all of obstacles with ease and grace. She is so attentive and fantastic with details. She managed to sell our 2 bedroom coop within 4 days for an unbelievable price!

In addition to Marjorie – the master agent, we were so impressed with her team and had as much trust in them as with Marjorie. Peter Moor was fantastic! Everything was done for us, from staging which included buying and installing some new ikea cabinet fronts in our kitchen to making sure our cat was comfortable during the open house.

Seriously, they are the best!! I only wish she was our agent for our new home.

Regards,  
Mindy and Shawn
