

Venetian Bay

\$279,900

This gorgeous 2500 sq ft Paytas built home designed with both privacy and entertainment in mind is filled with architectural detail. Each bedroom is privately split by its own entryway yet the common areas have plenty of space to enjoy family and friends. An impressive front entrance leads to formal living and dining areas. The Master retreat features a sitting area, elongated double sink vanity, walk-in shower, large walk-in closet, whirlpool tub with jets and ample lighting from windows and skylight.

Willow Run

\$155,000

Immaculately maintained home. Walking distance to parks and recreation area. You walk into a tranquil home with a split bedroom plan, large kitchen prep area smartly laid out. There is a bonus room in the back which can be used for an office, exercise room, play room, or ? The entire AC system was replaced in 2011, new flooring, this house is clean and ready for new owners! In the backyard (where there is room for you to store the boat etc.) there is also a standalone workshop. This home is located on a quiet street with a well maintained yard.
